

LAI Spring Mixer

PechaKucha Night

Wednesday April 30th, 2025

In honour of our newest 25 member inductees that have recently joined our Vancouver Chapter, were “Mixing” things up and are hosting LAI’s first ever PechaKucha style event at Steamworks Pub in Gastown!

For those unfamiliar with what this is, PechaKucha is a presentation format that involves sharing 20 slides, each displayed for 20 seconds. The term comes from the Japanese word for "talking". The slides advance automatically, and the speaker must time their speech to match the images. The result is a concise, visually engaging presentation that lasts about 6 minutes and 40 seconds.

At a PechaKucha Night, individuals gather at a venue to share personal presentations about their work. The format of the event will consist of a total of 8 presentations from our members on a variety of topics (related to their business or personal interests or land economics topics in general) broken up with a networking break between the two sessions.

We only have 8 slots available so please email: LAIvancouver@gmail.com to reserve your spot and receive your presentation template to register for this sure to be entertaining event.

Connecting professionals. Sharing knowledge. Advancing best practices.

Lambda Alpha International (LAI) is a global land economics society where top professionals connect. LAI provides a forum for the exchange of ideas in the fast-paced world of land use and development.

The membership of Lambda Alpha includes outstanding individuals from many parts of the world who have distinguished themselves in all of the various disciplines and activities that relate to the use and re-use of land. These individuals include not only those who are involved in the ownership, management, regulation and conservation of land, but also those who are involved in its development, redevelopment and preservation. This professional diversity creates a unique blend of perspectives and experience.
