**LAI Aloha Chapter is pleased to offer three Pre-Gathering Excursions before the 2026 Gathering
October 7-8, 2026
Honolulu, Hawai'i**

The LAI Aloha Chapter is proud to host the 2026 Land Economics Gathering, October 8-10, 2026, at the beautiful 'Alohilani Resort, located in the heart of Waikiki! For those of you who are able to come early, we are offering three Pre-Gathering Excursions that further explore the theme: *"Navigating Change – Weaving Wisdom and Vision"*.

The Excursions require separate registration and fees; transportation from the conference hotel and return is provided. See link below to register.

Wednesday October 7

LIVING WITH A VOLCANO is an all-day tour of Hawai'i Island areas impacted by the 2018 volcanic eruption, including discussions with government officials on responses to the impacts. If there is an eruption while we are there, we will find a safe spot to observe it! Cost is \$325 per person.

TREE PLANTING IN DIAMOND HEAD CRATER is an opportunity for LAI members to give back through a tree planting and landscape service project, with a historic/cultural presentation, discussion, and box lunch, plus an option to hike to the summit (with great views!) after lunch. Cost is \$50 per person.

Thursday October 8

SHANGRI-LA is a private curated tour of Doris Duke's unique former home (on the slopes of Diamond Head) and her large Islamic art collection, followed by a visit to the Honolulu Museum of Art. Cost is \$55 per person.

Come experience the spirit of aloha, connect with peers, and gain fresh insights from Hawai'i's land, people, and place.
