

LAI CHAPTER PRESIDENT'S ROUND TABLE September 14, 2017 10:00am Pacific Time

Vancouver, BC

Purpose of the President's Round Table: The President's Round Table (chaired four times a year by the International First Vice President) provides a valuable opportunity for conversation relating to matters of interest to LAI Chapters. It also enables the sharing of best practices and ideas to enhance membership experience. Participation by Chapter Presidents and Regional Vice Presidents is strongly encouraged for both the face-to-face meetings held in connection with the twice annual Board meetings and in the intervening online conferences.
